

ORACLE NETSUITE SOCIAL IMPACT FOR NONPROFITS AND SOCIAL ENTERPRISES

Supporting the success of nonprofits and social enterprises with our software donation and our pro bono services

Whether your mission is serving the local community or providing international outreach to empower and educate for global causes, one thing is certain—you're working incredibly hard to fulfill your mission, while being a good steward of donor dollars.

With NetSuite's unified business management solution, nonprofits and social enterprises like yours can manage their entire organization in NetSuite's cloud-based application—integrating nonprofit accounting, fundraising, donor and volunteer records, inventory management, and ecommerce.

What We Offer

Oracle NetSuite Social Impact provides a standard donation of NetSuite available at no cost or a significant discount to eligible organizations.

“We’ve saved an enormous amount of money with NetSuite, and those cost savings have enabled us to hire more people who work in programs and make a difference in people’s lives.” – YRG Care India

1200+

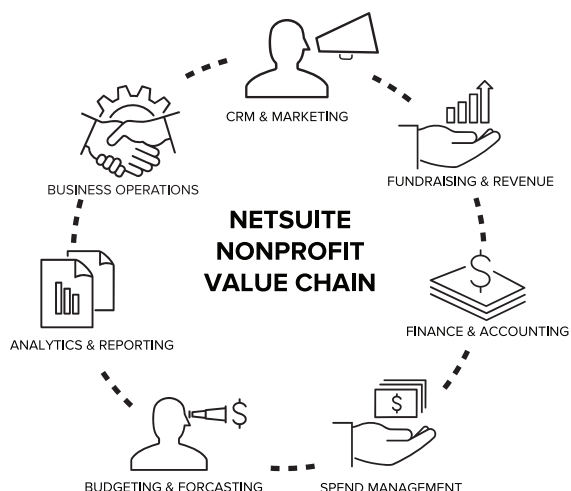

Organizations are improving their back-office operations with NetSuite's technologies

\$70,000,000

Total Value of Software Donation To-Date

“With NetSuite, we now have a single coordinated effort across the organization and are able to make the most of every interaction with our donors and customers with a single 360-degree view.” — The Foundation Center

Key Benefits of NetSuite

- Gain visibility into your financial health with a powerful nonprofit and financial management and accounting system.
- Demonstrate efficacy of dollars spent to dollars raised.
- Measurably describe your service delivery impact.
- Break down silos and empower your organization with a 360-degree view of your donors, volunteers, supporters and clients.
- Anytime, anywhere mobile access.

Who Can Apply for Software

Organizations who are officially registered as a nonprofit or social enterprise in their country of origin and who can demonstrate their social impact.

How to Apply:

- 1 Nonprofits and social enterprises apply here: netsuite.com/apply-for-donation.
- 2 Oracle NetSuite Social Impact qualifies the organization.
- 3 Organization receives a software donation and is eligible to apply for Suite Pro Bono support.

Software Donation Terms

As a qualified nonprofit/charity or social enterprise, you can receive the base software donation at a 100% discount off list prices. Additional users and modules may be purchased at a significant discount which is determined by your organization's previous year's revenue.

“NetSuite has transformed the organization. We're now able to accurately report on the number of service users, demographics and outcomes.” — Simon Community Scotland
